### **Patient Consent**

### Please carefully read the following informed consent

- 1. I authorize Molecular Vision Laboratory to conduct diagnostic testing on the sample I have provided for SARS-CoV-2, the virus causing COVID-19.
- 2. I authorize my test results to be disclosed to the county, state, or to any other governmental entity as may be required by law.
- 3. I acknowledge that a positive test result is an indication that I must continue to self-isolate in an effort to avoid infecting others.
- 4. I understand that I am not creating a patient relationship with Molecular Vision Laboratory by participating in testing. I understand the testing unit is not acting as my medical provider. Testing does not replace treatment by my medical provider. I assume complete and full responsibility to take appropriate action with regards to my test results. I agree I will seek medical advice, care and treatment from my medical provider if I have questions or concerns, or if my condition worsens.
- 5. I understand that, as with any medical test, there is the potential for false positive or false negative test.
- 6. I understand that if positive, my sample may be sent to another laboratory to confirm this result.

I, the undersigned, have been informed about the test properties I have received a copy of this Informed consent. I have sign, and I have been told that I can ask other questions 19.	been given the opportunity to as	k questions before I
